

HAZARDOUS CHEMICAL INVENTORY/MSDS REQUEST

Please do not hesitate to call the property management office at 206.443.3500 if you have any questions.

TERMS AND CONDITIONS

As required under OSHA's Hazard Communication Standard (29 CFR 1910.1200), please provide us with MSDS's (Material Safety Data Sheets) for any and all hazardous chemicals you or your vendor services might use or bring on-site as part of your routine tasks (blueprint chemicals, restaurant/cafeteria special solvents, paint, chemicals used for furniture refinishing, etc.). Please note that consumer products (copy machine toner, scouring cleanser, etc.) are not covered by the Standard.

Please forward to the property management office the following:

- A list of hazardous chemicals used or stored.
- An MSDS for each chemical. These can be obtained from your supplier of the products.
